TC_ID	1	Test Case Name	Login Test-1

Purpose:	**Testing login form**
Prerequisite:	-
Priority:	**low**
Steps:	Populating input with the right data
Expected Results:	The warning activity will start and the user name and warning message will appear
Actual Results:	The warning activity started and the user name and warning message appeared
State:	pass
Issue #:	
Execution Date:	8/4/2018
Build Version:	Master branch
Notes and Questions:	-
Tester Name:	**Abdallah Mostafa**

TC_ID	2	Test Case Name	Login Test-2

Purpose:	**Testing login form**
Prerequisite:	-
Priority:	**low**
Steps:	Populating input with the wrong data
Expected Results:	A message will appear saying "wrong login credentials "
Actual Results:	A message appeared saying "wrong login credentials "
State:	pass
Issue #:	
Execution Date:	8/4/2018
Build Version:	Master branch
Notes and Questions:	-
Tester Name:	**Abdallah Mostafa**

TC_ID	3	Test Case Name	Login Test-3
Purpose:		Testing login form	
Prerequisite:		-	
Priority:		low	
Steps:		Populating input with any data with no internet connection	
Expected Results:		A message will appear saying "network error "	
Actual Results:		A message will appeared saying "network error "	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	4	Test Case Name	Login Test-4
Purpose:		Testing login form	
Prerequisite:		-	
Priority:		low	
Steps:		Populating input with any data and click login then cut the internet to simulate if any thing happened wrong when calling the web service .	
Expected Results:		A message will appear saying "connection error "	
Actual Results:		A message will appeared saying "connection error "	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	5	Test Case Name	Forget password Test
Purpose:		Testing forget password button	
Prerequisite:		-	
Priority:		low	
Steps:		Clicking on the forget password button .	
Expected Results:		Internet Browser will open going to the forget password section in the faculty website	
Actual Results:		Internet Browser opened going to the forget password section in the faculty website	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	6	Test Case Name	Logout Test
Purpose:		Testing Logout button	
Prerequisite:		User must be logged in	
Priority:		low	
Steps:		Clicking on the logout button .	
Expected Results:		Going back to login activity.	
Actual Results:		The app switched to login activity	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	7	Test Case Name	Personal info Test -1
Purpose:		**Testing personal info button**	
Prerequisite:		User must be logged in	
Priority:		**low**	
Steps:		Clicking on the personal info button	
Expected Results:		The app will switch to personal info activity and the user info will bee shown .	
Actual Results:		The app will switched to personal info activity and the user info appeared in the screen .	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		**Abdallah Mostafa**	

TC_ID	8	Test Case Name	Personal info Test -2
Purpose:		**Testing personal info button**	
Prerequisite:		User must be logged in	
Priority:		**low**	
Steps:		Clicking on the personal info button when there is no internet connection and it is the first time clicking this button after logging in

State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		**Abdallah Mostafa**	

TC_ID	9	Test Case Name	Warning Test
Purpose:		**Testing warning button**	
Prerequisite:		User must be logged in	
Priority:		**low**	
Steps:		Clicking on warning button	
Expected Results:		The app will switch to warning activity and the user name will appear with the warning message	
Actual Results:		The app switched to warning activity and the user name appeared with the warning message	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		**Abdallah Mostafa**	

TC_ID	10	Test Case Name	Department Test 1
Purpose:		**Testing about departments button n**	
Prerequisite:		User must be logged in	
Priority:		**low**	
Steps:		Clicking on about departments button	
Expected Results:		A list of the available departments will appear .	
Actual Results:		A list of the available departments appeared .	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		**Abdallah Mostafa**	

TC_ID	11	Test Case Name	Department Test 2
Purpose:		Testing about departments button n	
Prerequisite:		User must be logged in and clicked on about departments button	
Priority:		low	
Steps:		Clicking on any department	
Expected Results:		Department information tabs will appear .	
Actual Results:		Department information tabs appeared .	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	12	Test Case Name	Class work test
Purpose:		Testing class work button	
Prerequisite:		User must be logged in	
Priority:		low	
Steps:		Click on term classwork button	
Expected Results:		The classwork of the user will appear but if the user is credit an empty table will appear	
Actual Results:		The classwork of the user appeared . if the user is credit empty table appeared	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		Abdallah Mostafa	

TC_ID	13	Test Case Name	Result test
Purpose:		**Testing result button**	
Prerequisite:		User must be logged in	
Priority:		**low**	
Steps:		Click on result button	
Expected Results:		The final results of the user will appear but if the user is credit an empty table will appear	
Actual Results:		The results of the user appeared . if the user is credit empty table appeared	
State:		pass	
Issue #:			
Execution Date:		8/4/2018	
Build Version:		Master branch	
Notes and Questions:		-	
Tester Name:		**Abdallah Mostafa**
